Washington, D.C. 20515

Dear Chair Granger and Ranking Member DeLauro,

I am requesting funding for Londonderry, NH Exit 4A Public Water and Sewer Facility Extension in fiscal year 2024.

The entity to receive funding for this project is in the Town of Londonderry, located at 268B Mammoth Road, Londonderry NH 03053.

The funding would be used to construct a 12-inch line public water and sewer facility required to extend water and sewer service to the Exit 4A area of Interstate 93, which is currently under construction and programmed for 300 residential dwelling units, 250,000 sq. ft. of hospital or medical office uses, 170,000 sq ft. of assisted living or nursing care, a 200-room hotel, and 700,000 sq. ft. of commercial and office space.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Chris Pappas".

Dear Chair Granger and Ranking Member DeLauro,

I am requesting funding for Londonderry, NH Exit 4A Public Water and Sewer Facility Extension in fiscal year 2024.

The entity to receive funding for this project is in the Town of Londonderry, located at 268B Mammoth Road, Londonderry NH 03053.

The project is an appropriate use of taxpayer funds because it will support sewer and water service to the 4A Area as it is developed to meet the demands of the growing community.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Chris Pappas".
